Team Updates

Wrestling- Need to purchase new mats. About \$20,000. They are up for new uniforms and opting to not purchase new singlets this year will save about \$6,000. Highland to host suburban league tournament in January. Mats last 10 years. It has been 8 years since new mats were purchased. We own 5 mats. 3 of the 5 mats were purchased by the youth program and they own them. Athletic department to donate \$4,000 dollars toward new mats. Lead time is 10 weeks. 2 maps will need to be resurfaced in next year. Tried to go the route of using promotional money, looks like they charged \$27,000 with a \$3,500 credit still more than the 3 quotes obtained. Only 3 manufacturers make these maps. Email will be sent to get vote as time is of the essence. Members voting need to have attended at least 3 athletic booster meetings.

Jon Bailey –

- We will not have mass awards sports banquets. Each team will do their own banquet. Jon to send out communication.
